Soft Skills

➤ **Good at communication**

Outgoing, like to communicate with colleagues. Mutual understanding is conducive to completing team work faster and more smoothly.

➤ **Emotional Intelligence**

Many part-time experiences enable me to deal with my colleagues or superiors calmly. Especially in the part-time experience in 2019, it has greatly improved my social skills.

➤ **Adaptability**

The experience of studying abroad during the epidemic has cultivated my adaptability. Even the worst case can adapt quickly.

➤ **Creative thinking**

Learning programming makes me have strong creative thinking ability, because there are many ways to write a program code. The same is true at work. Solving problems will be the primary goal.

➤ **Strong learning ability**

Be able to learn the training content and apply it to the work as soon as possible.
